### **Notice: External Lab Examination Rescheduled-Updated**

Dear Students,

We are writing to inform you about a **change in the schedule for the upcoming external lab examinations**. As earlier communicated, we had fixed the time table; however, due to unforeseen circumstances, we are compelled to make some adjustments.

The unavailability of faculty members has arisen as several of them are currently **engaged in the UGC program**. Considering their participation in this significant academic endeavor, we have had to update the time table accordingly. **We understand that this change may cause inconvenience, and we apologize for any disruption caused to your plans and preparations.**

**The rescheduled time table for the external lab examinations is as follows:**

We kindly request you to make a note of the revised date, time, and venue for your examination. Please ensure that you arrive at the designated venue well ahead of time to avoid any last-minute hassles. In case you have any conflicting commitments on the new date or face any difficulties, we urge you to contact the concerned department at your earliest convenience.

Our faculty members will be available to assist you and provide appropriate guidance.

We apologize for any inconvenience caused by this unforeseen change. We assure you that we have made every effort to minimize disruptions to your academic pursuits. You're understanding and cooperation in this matter are greatly appreciated. We wish you the best of luck for your upcoming examinations. Stay focused and continue with your preparations diligently.

Best regards,
